

Congratulations on becoming a new Amateur Radio operator!

What do I do now?

Well, we have a mentorship program called ELMER'ing.

Where do you find these Elmers?

Start right here at the test session. Take down the callsigns of the VE's that administered the test.

Look them up on <https://www.qrz.com/> (Register and get your own account)

Repeater INFO: <https://www.repeaterbook.com/>

While there are many resources available online,

THE REAL MAGIC HAPPENS IRL (IN REAL LIFE)

JOIN A LOCAL CLUB. Visit many. Partake in their activities.

The Phil-Mont Mobile Radio Club

<http://phil-mont.org/> (The club sponsoring this test)
